

The heatmap displays a 9x9 matrix with a color scale from 0 (dark blue) to 0.8 (bright red). The diagonal is dark blue (0). The top-left 4x4 submatrix shows high values (red/orange), with the first two rows reaching up to 0.8. The bottom-right 5x5 submatrix is predominantly dark blue (0), with some low-intensity orange/red on the diagonal and a few off-diagonal elements.
